FEEDBACK ANALYSIS ON ATTAINMENT OF PO AND CO

Academic Year: 2022-2023

Total number of enrolled students: 363

Number of students participated: 224

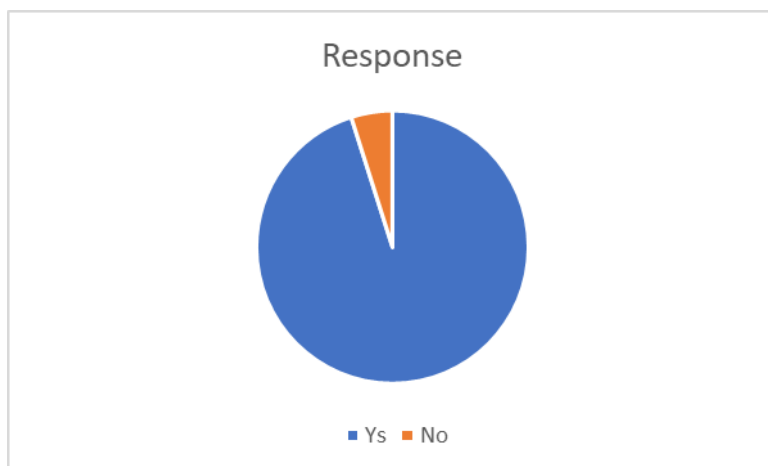

Score for each question has been calculated using the scale:

Excellent/ Yes/Strongly Agree	Good/ Moderately Agree	Satisfactory/Agree	Not Satisfactory/ No/ Disagree
10	6	4	0

All the students of the departments were asked to give feedback. A total of 224 out of 326 students submitted their honest feedback. Based on that, a statistical report is prepared.

1.Is the information available through website and information brochure about the program??

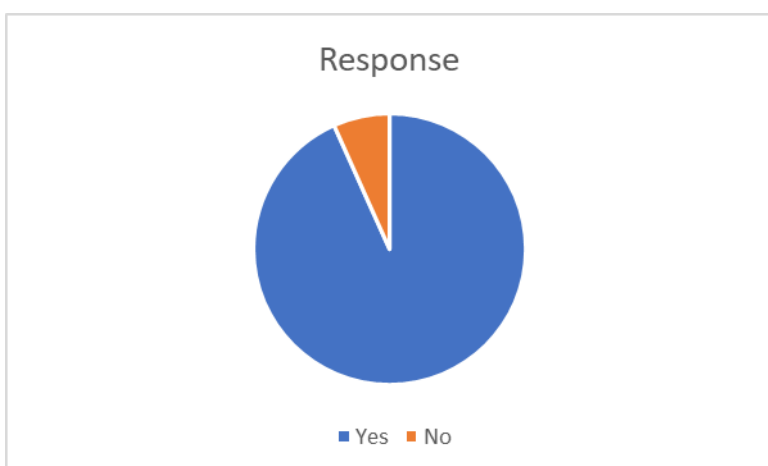

Options	Response
Yes	213
No	11

Score 9.50893

2.Are the learning outcomes (Programme Outcomes and Course Outcomes) displayed on college website?

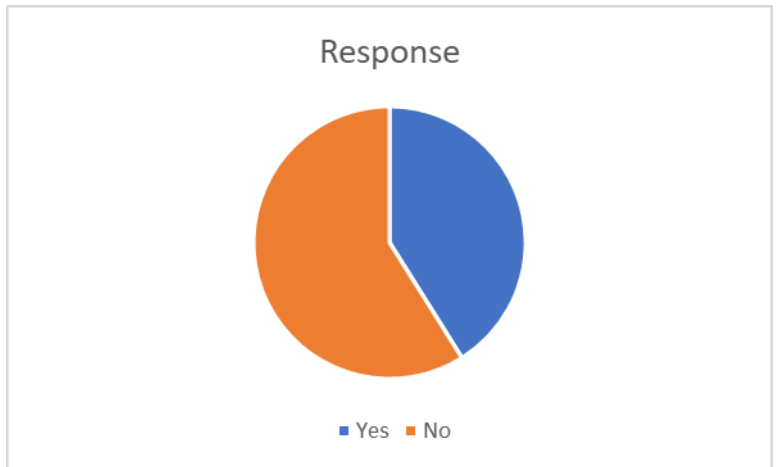

Options	Response
Yes	209
No	15

Score 9.33036

3. Did you read the outcomes of the programme before taking admission?

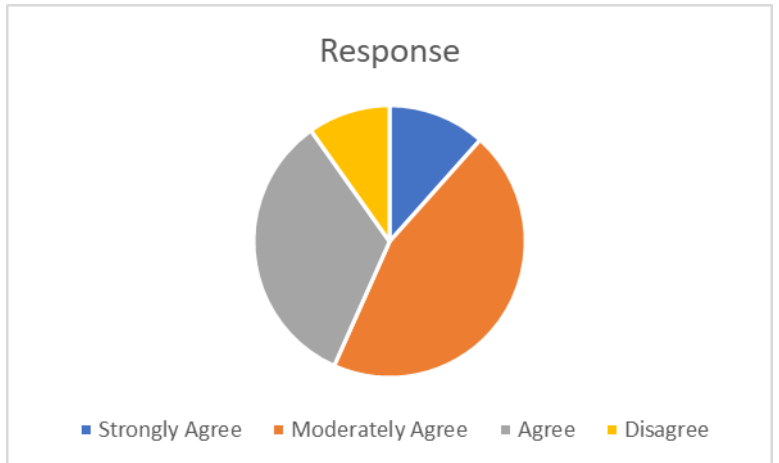

Options	Response
Yes	92
No	132

Score 4.10714

4. I have learned what I expected from the program

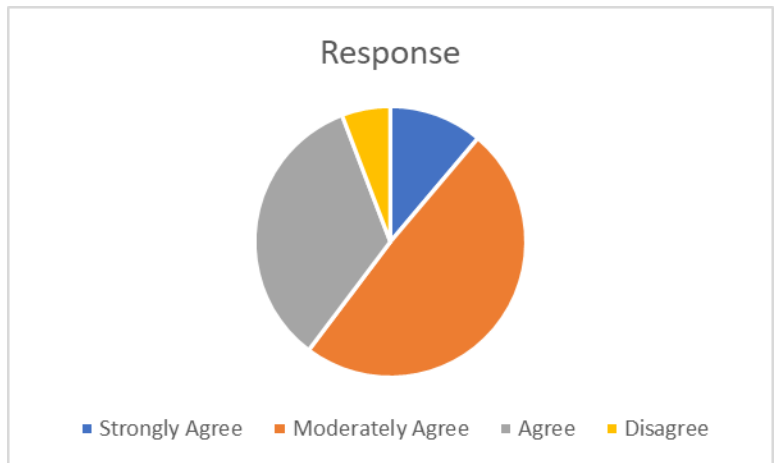

Options	Response
Strongly Agree	26
Moderately	101
Agree	75
Disagree	22

Score 5.20536

5. Sufficient number of relevant reading materials and digital resources are available in the library.

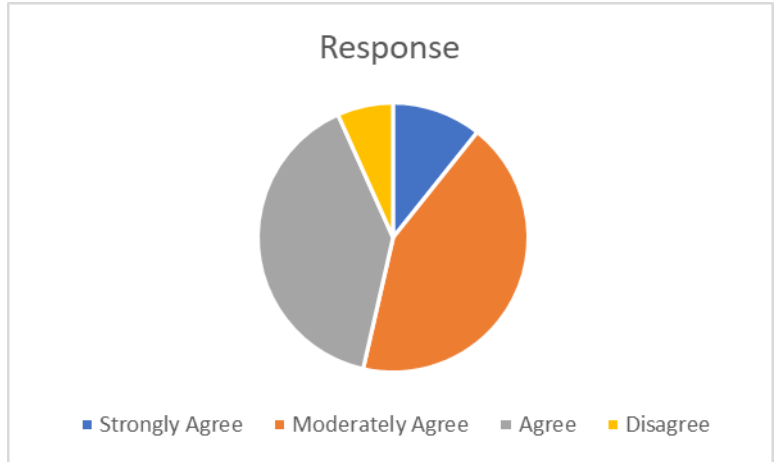

Options	Response
Strongly Agree	25
Moderately	110
Agree	76
Disagree	13

Score 5.41964

6.The college has adequate number of equipment's and facilities and are well maintained

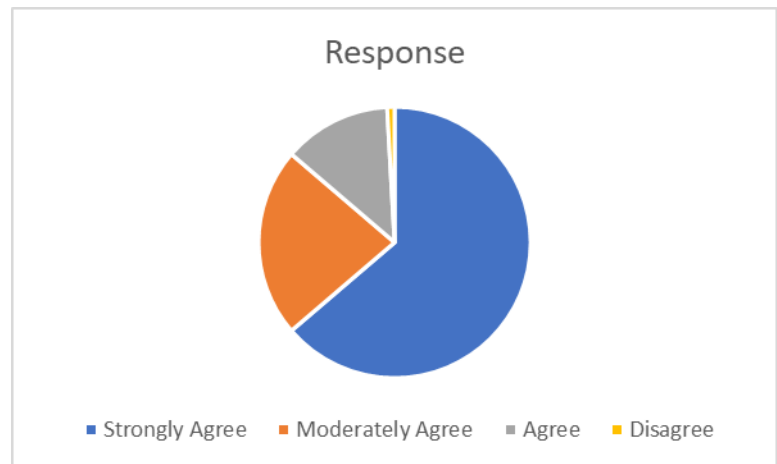

Options	Response
Strongly Agree	24
Moderately	96
Agree	
Agree	89
Disagree	15

Score 5.23214

7.The teachers provide sufficient knowledge to develop skills

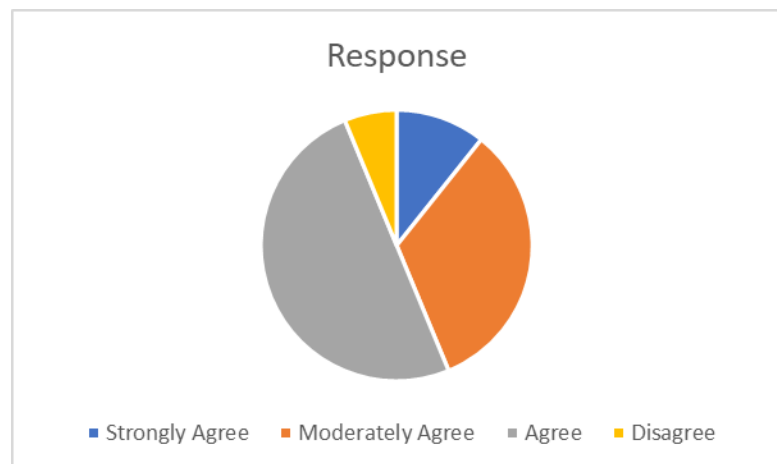

Options	Response
Strongly Agree	144
Moderately	51
Agree	
Agree	29
Disagree	2

Score 8.23894

8. Do you have idea of what jobs you might be able to get after completing the program?

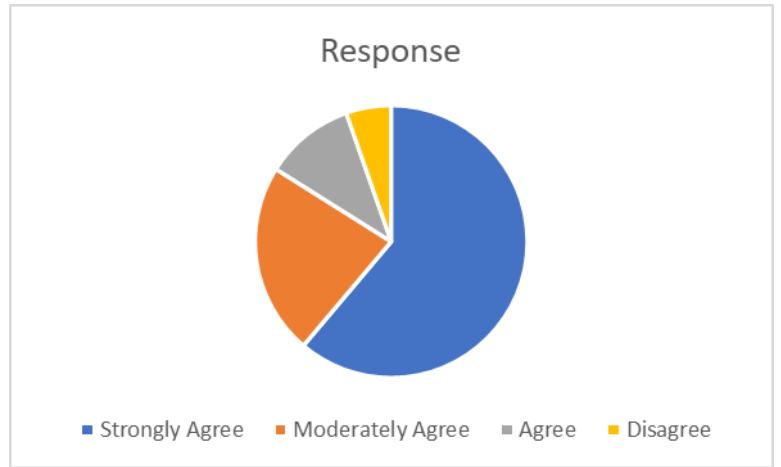

Options	Response
Strongly Agree	24
Moderately	74
Agree	
Agree	112
Disagree	14

Score 5.05357

9. All the academic processes of the institute is transparent

FEEDBACK ANALYSIS REPORT ON ATTAINMENT OF COURSE OUTCOME AND PROGRAM OUTCOME FOR THE ACADEMIC YEAR 2022-2023

The Internal Quality Assurance Cell (IQAC), Kabi Jagadram Roy Government General Degree College, Mejia carried out exercises during April 2023 to assess the attainment of Course Outcomes and Programme Outcomes for the academic year 2022-2023 through analysis of feedback received from students.

❖ Summary of Comments and Suggestions Received from Students

English department students suggest appointing more faculty members to run the academic program smoothly. Currently, only one faculty in the Department of English organizes everything single-handedly, which hampers their regular classes. The History department demands field visits and excursions to meet their curriculum. Department of Commerce also demands enhanced computer facilities and books in taxonomoy branches.

❖ Conclusions Drawn from the Analysis of the Feedback Reports (CO and PO Attainment) by the Students:

All the students of the departments were asked to give feedback. A total of 224 out of 363 students submitted their feedback honestly. Based on that, a report is prepared.

- ✓ Students are satisfied with the academic course. The college students also motivate freshers to join this college to establish good academic records.
- ✓ Students are pleased with their project work entirely every year.
- ✓ Students are satisfied with the teacher's overall performance, such as completing the academic syllabus, communication skills, teaching delivery, regularity, discipline, and student-teacher relationship.
- ✓ In the teaching-learning experience, students responded positively, especially regarding the punctuality and regularity of the teacher, teaching delivery, and effective communication.
- ✓ Student counseling is maintained well, motivating students to study their courses properly.
- ✓ Although students are satisfied with the academic courses, teachers' guidance, and facilities, some issues raised to improve the quality of the teaching environment by analyzing students feedback:
 - a. Lack of books and reading materials in the central and departmental libraries.
 - b. Students suggest they should be conveyed to career establishment programs after completing the courses.
 - c. Number of home assignments and tutorial tasks should be increased.

- d. Field visits and excursion programs should be increased on a regular basis.
- e. Seminars and workshops should be organized on a regular basis to enrich students.
- f. Increase Internship Program
- g. Equipment and laboratory facilities should be enhanced to ensure the proper knowledge transfer among students.

❖ **Action Taken Report on the attainment of CO and PO:**

The detailed report of analysis of students' feedback for the attainment of PO and CO has been placed in the IQAC meeting dated 26/04/2023. After long and careful discussion, the members of the IQAC unanimously propose the office of the principal to take the following measures:

- IQAC recommends that all Heads of Departments increase the number of tutorial classes and home assignments to help the students acquire problem-solving skills.
- Although books and reading materials are of abundant quality in the library, then also requirements were taken for new books as needed and sent to the library committee through the department head after getting it verified. Also, faculties are asked to suggest books based on the NEP syllabus. The college authority will send a requisition to the Department of Higher Education to purchase the required books as per the demand of the students.
- The college administration has already sent a requisition letter to the Department of Higher Education to recruit new faculty members for the Department of English. Furthermore, the higher authority will send a reminder regarding the letter mentioned above.
- An add-on course on computer language and advanced technology should be introduced so that most students can participate.
- IQAC has also suggested that seminars, workshops, and internship programs be organized on a regular basis. This will allow our students to be enriched by eminent external professors.
- The number of computers with internet access will be increased to enhance information technology literacy.
